**NITIN MITTAL & CO.
CHARTERED ACCOUNTANTS**

ABOUT US

Nitin Mittal & Co. was formed in August 2001 as a Chartered Accountancy firm. The said concern is a partnership concern based out of Delhi having its branch office at Meerut.

Our strategic policy is concentric operations and accordingly we render specialized and innovative professional services with speed, accuracy and reliability. It is speed that derives from sizeable infrastructural support and an extensive base of associates, accuracy that result from an understanding of the science and reliability that only commitment can bestow.

Today our world is being brought together not simply by the mandate of nations, but by the power of individuals who allow themselves to hope for a better life. Nothing holds greater possibility than a world with hope for its own future. Although the road may not be easy or quick we think we can help our clients achieve even greater success.

Our mission is to serve our clients with creativity, which is brought about by out of the box thinking, enthusiasm, which stems from the blend of young, experience and dynamic team members, diligence assured by cumulative years of firms experience and vision which is captured by pre-empting client needs. This principle is at the heart of our work.

FOUNDER

Nitin Mittal

B. Com (Hons.), FCA, MBA

A Fellow Member of the Institute of Chartered Accountants of India having a professional experience of over 10 years. A Tech-savvy Chartered Accountant with a diverse background with exposure to Accounts, Audit, Budgeting, MIS, Secretarial work, RBI, Taxation, T.D.S., Payroll and Customs and has demonstrated capability to register companies as 100% EOU unit with NSEZ (formerly NEPZ) including other legal formalities with Customs, Sales Tax.

He has been the visionary on whose ideology the organization treads along today; ready to step into the new era of rendering professional services of the highest standards globally. He has lead from the front, playing a key role in the strategic growth of the organization.

As well as his management responsibilities, he continues to take personal responsibility for a number of the firm's long-standing clients. He also has considerable interest in the development of new, entrepreneurial businesses

Audit & Assurance

The firm endeavors to understand the client and its business needs before chalking out an audit programme.

- Statutory Audits

The guiding principal of a statutory audit assignment is to ensure that the financial statements prepared by the management give a true and fair view. We review compliance with accounting procedures, provisions of various law, standards and guidelines in accordance with the Generally Accepted Accounting principles to ensure that financial statements are free of any misstatements, errors and discrepancies.

SERVICES

- Internal Audits

An internal audit is a vital tool in corporate governance. It provides independent assurance that the key risks facing an organization have been identified and managed, and that systems and controls are robust and appropriate.

- Tax Audits

We conduct Tax Audit of assesses as required under Section 44 AB of the Indian Income Tax Act. This involves reporting on the certain factual details by assesses to the Income Tax Department to enable proper assessment of tax by the Department

- Compliance Audits

We conduct compliance and secretarial audits. It helps strengthen the Corporate Governance in an organization. Compliance audit assists Audit Committee Board by providing the status of various management compliances.

It also assists in evaluating of the effectiveness of internal control and compliance mechanism within an organization.

- System Audit

Audits are no more restricted to accounts related tick and bash, which, in our case, has become a minor part of the overall gamut of activities covered. Process flows in an organization are mapped along with their internal controls etc. as part of an audit, other than checking into routine accounts etc.

Conducting systems and management audits with recommendations on efficiency and propriety of decisions.

CLIENTELE

The services that we provide are based upon a deep knowledge and understanding of the local and international market conditions at the macro and micro levels. In particular our office is staffed by people who understand the business culture, management requirements and multiple laws and possess the professional expertise that the market demands.

Our aim is to build a niche for ourselves as a *single window access* professional concern. Our philosophy is based upon building deep and long lasting relationships rather than to seek profit exclusively from short-term opportunities.

Key Industries served:

- Information Technology & Software
- IT Enabled /BPO
- Consultancy
- Manufacturing
- Garment Manufacturers
